Berry Appealing

With winter just around the corner, the berry trend is the perfect way to add warmth and style to your home. Inspired by winter berries, the deep reds, regal purples and raspberry pinks ooze luxury and opulence, with a level of sophisticated charm that is the ultimate contrast to the dark and crisp landscape. Create lounge appeal in your home with Whitehead Designs' elegant chaises, chic sofas and chairs and stylish footstools, all in this season's berry hues.
