Whitehead Designs' opulent selection of finishing touches means every detail is taken care of when it comes to creating the perfect piece of furniture.

With options that include finials to adorn your sofa, castors to complete your footstools, and a variety of headboard shapes to bedeck your bed, Whitehead ensures beautiful, bespoke pieces for every client. Each piece is also available in a range of solid oak and solid beech wood finishes, including mahogany and walnut shades.

Clients are also able to select cushion fillings for their sofas and chairs to give them ultimate comfort. They can choose from: duck feather and down, hollofibre, feather wrap and foam, among others. A choice of chrome or brass hinges, castors and various stud shades are also available, and if

Whitehead doesn't have it clients may even supply their own unique designs. This level of near endless customisation and dedication to finishing touches enables Whitehead Designs to craft truly bespoke upholstery.

All Whitehead pieces are made to order and take six to eight weeks to produce from receipt of fabric.
